# *Legal Weddings*

## *A- The Civil Ceremony at the Bora Bora Town Hall*

Legal weddings in French Polynesia must adhere to a strict administrative procedure:

- The Bride and Groom fill out the attached requisite documentation
- The St. Regis Bora Bora Resort Wedding Coordinator ensures these are correctly translated and the completed file is submitted to the Bora Bora Town Hall within the required time frame in order for the civil ceremony to be registered in keeping with French law
- An accredited interpreter must be present during the ceremony to translate from French into the wedding couple's language. Selected members of The St. Regis Bora Bora Resort's team may act as accredited interpreters during the ceremony for the following languages: English, Italian, Spanish, German, Dutch, Portuguese, Japanese, Mandarin & Russian.
- The civil ceremony takes place during the Bora Bora Town Hall's opening hours in its Weddings Room.

Please note all civil ceremonies must take place at the Bora Bora Town Hall. The St. Regis Bora Bora Resort will coordinate private boat transfers to transfer the Bride and Groom directly there. We recommend allocating approximately 2 hours including return transfers for this event.

Please see the attached Bora Bora Town Hall's official presentation for more information.

## *B- The "Joining of Hearts" Ceremony at the Resort*

A personalized "Joining of Hearts" ceremony can then be held at the Resort conducted by the General Manager, Mr Michael Schoonewagen, or an Executive Management Team member.

The Wedding Coordinator is available to customize this ceremony to suit the Bride and Groom's preferences.
